Work Statement and Contract Definitization

Dear Frank:

Enclosed please find seven (7) copies (Nos. 4 through 10) of this Contractor's document 1987-W-1, entitled "Work Statement for the Central Processing Center" dated 15 March 1965, said document submitted to reflect:

1. All obligations agreed upon during the recent October 1964 negotiation conference, and
2. An additional requirement "MP² for Cat II Utilization" said requirement having become a part of this Contractor's effort as of December 1964. *OK Per al N. 4/14/66*

Please be advised the Work Statement as presently compiled has been reviewed at the SPO level and all comments known to the writer as of this date have been incorporated.

Insofar as definitization of Contract AF33(657)-12843 (CPC) is concerned the writer trusts same would be essentially copied from Contract AF33(657)-12846 (Follow-on EMR's) taking exception to PARTICULARS such as those noted in Exhibit "A" attached.

It is trusted you will find the information forwarded hereunder suitable in all respects for its intended purpose. Please contact the undersigned in the event further information is required.

Regards,

Jim
